Family Life Chaplain Support

Why a Family Life Center?

Your counseling is *customized*

At the Chaplain Family Life Center, we recognize that your concerns, history, personality, and resources are unique. So we tailor our work to empower you with the self-awareness, knowledge, and skills **you** need for **your** journey.

We help you clarify *your* goals and possible obstacles, team with you to develop realistic steps to success, and support you throughout the process.

Want a professional coach for your marital communications? We help you hear and talk to each other's heart issues. Feel overwhelmed by tragedy? We walk with you at your pace. Is your child struggling with difficult emotions or behaviors? We work with them on their level and their concern.

You also get a *team* of counselors

Even between your meetings with your Chaplain, we are working for you. Our Chaplains meet monthly to review your progress & concerns, and brainstorm and pray for your success. We also train together and consult individually on eight models of researched-based therapies for the best quality of care appropriate to your needs. We never stop working for your success!

Why a Family Life Center?

Sometimes you want help but with a little more privacy. You can still meet with your unit Chaplain, with a Chaplain of your religious preference, the Family Life Chaplain, or any combination.

We have workshops for *groups*

Created for Connection

Explore how married couples connection with each other can be a reflection of a secure connection with God, the ultimate giver of secure connection. Through classes catered to your group you will see a Biblical world-view of intimacy with God and with your spouse.

Prepare and Enrich

More than 4,000,000 couples have prepared for marriage or enriched their relationship through taking the P/E assessment and working with a Certified Facilitator. The assessment itself has been proven to improve relationship satisfaction; however there is something extraordinary about the relationship a Facilitator develops with a couple that truly helps the couple grow more than they would on their own.

Why a Family Life Center?

Because support is critical when you need it the most. We know it's challenging to serve your country in combat tours, move constantly, and be stationed away from family and friends back home. But you don't have to try to do it alone. Join those of all ages, ranks, and walks of life who have benefited from confidential, professional counsel. Come by or give us a call!

Positive Parenting Tip Tuesdays

We discuss a positive parenting technique our parents can add to their parenting tool boxes!

PRAISE SHOULD BE

Springing ★ Specific ★ Sincere

do ✓

PROCESS PRAISE

Focus on process, strategies, effort, like "You're using great puzzle-solving strategies"

INFORMATIONAL FEEDBACK

Provide specific feedback on performance.

PERSONAL MASTERY

Focus on child's individual performance.

REASONABLE EXPECTATIONS

Praise should reflect standards that could be realistically met.

ENCOURAGEMENT

Give encouragement, like "Your room looks clean!". This helps develop *internal* evaluation.

don't ✗

PERSON PRAISE

Avoid ability-oriented praise, like: "You're very good at solving puzzles"

PRAISE AS REWARD

Avoid "rewarding" with praise. When kids anticipate rewards, they lose interest.

SOCIAL COMPARISON

Avoid comparing to others.

TOO LOW OR HIGH EXPECTATIONS

Avoid setting low expectations, like "Great job! You wrote a story!" or too high, like

"This is the best story I've ever read!"

EVALUATION

Avoid focusing on judgement with "I like" statements, such as, "I like how clean your room looks."

Vs.

PARENTS SAY THIS NOT THAT!

SAY: I'll listen to you as soon as your voice is as calm and quiet as mine.

Instead of: Don't talk to me like that! You better be respectful!

SAY: I'll serve you lunch when you are sitting quietly in your chair.

Instead of: Stop whining! You better be quiet if you want lunch.

SAY: Snack is served at 9:30. Eat as much as you need to hold you until lunch.

Instead of: Don't ask me for another snack! You aren't getting anything.

SAY: I give a special lunch to children who share their toys.

Instead of: You better share. You aren't getting anything if you keep taking his toys!

SAY: Feel free to join our game as soon as you are calm.

Instead of: Don't you dare! Come back here until you show some respect!
