

The Catholic Service

Hainerberg Chapel (Sundays at 0900)

Our Catholic Community here in Wiesbaden is united to the Holy Catholic Church worldwide. We fall under the jurisdiction of the Archdiocese for the Military Services (AMS).

Our mission... is the mission of the whole Church: to help bring people into a meaningful and profound relationship with God through the Sacraments, Religious Education, various Devotions, and Fellowship.

We strive to make our Liturgies both lively and relevant to this Military Community.

The Community

Various Wiesbaden Homes

The Community is an Interbelief gathering for all non-religious, no preference, and self-identified religious. Our meaningful meetups are conversational and intellectually based for those who do not believe in (g)God(s) and those who do.

Everyone has a voice within genuine connection... We meet weekly in comfortable places like homes and/or restaurants.

Call or write for more information on connecting with the Community!

The Gospel Service

Clay Chapel (Sundays at 0900)

We are an active and lively congregation informed by the charismatic style of worship found throughout the United States.

While our service is not defined by a denominational expression of Christianity, the style of worship may be reminiscent of those in the Church of God in Christ, Assemblies of God, Pentecostal denominations, and other denominations which value a high level of congregational participation, vibrant music, and extemporaneous expression.

Tapestry Christian Fellowship

Clay Chapel (on hold until further notice)

We are members of the US military community who long for meaningful community, a strong and growing connection with God, and a place for our faith to grow!

We are an Open and Affirming General Protestant Service with a blended mix of Contemporary and Liturgical worship styles who celebrate communion weekly on Sundays, in person and on-line, 1300 1400 (Except DONSA Sundays) at Clay Chapel, and on YouTube at: TCF Clay Chapel Wiesbaden or USAG Wiesbaden and the FB webpage, 'Religious Support Office for USAG Wiesbaden.'

ChapelNext

Hainerberg Chapel (Sundays at 1100)

We are a Protestant congregation of mixed ranks and ethnicities highlighting modern Christian music through our praise band, preaching the Bible as God's Word about Christ, and living the Gospel in our community.

Our Chaplains and lay leaders actively seek ways to disciple fellow parishioners to extend the teaching, passion, and living of the Gospel beyond the walls of the chapel. Therefore, we actively support Bible study groups, women's auxiliaries, fellowship meals, practical service to the hurting, and more for the glory of Jesus.

The Traditional Service

Clay Chapel (Sundays at 1100)

We are a community founded on the 5 principles of the Protestant Reformation:

Sola Scriptura: Scripture alone directs our faith & obedience.

Solus Christus: Salvation comes only in Christ.

Sola Gratia: Salvation is by God's grace alone.

Sola Fide: Salvation comes by faith alone.

Soli Deo Gloria: Everything is to be done for His glory alone.

Scriptural preaching and weekly Communion are our central acts of worship. Congregational prayer, singing, credal confession, giving and fellowship complete our service.

Where Might You Fit?

Living in Wiesbaden can be as challenging as it is rewarding. Our units have far-reaching impacts for Europe and beyond; our community is senior-heavy, highly intelligent, and hard-working; and we live on small posts, so we see each other often. All of these can bring great blessings and burdens, depending on our desire to be more transparent for deeper relationships. We believe this is a must for spiritual strength.

Our Religious Support Office structures and supports each of our ministries to equip and encourage your "head, heart, and hands" for two goals:

- 1) your deeper trust in God that enables
- 2) your deeper connection for each other.

Consider investing in one of our services or programs that fits your beliefs and practices. Begin to receive and eventually give holistic care to equip and encourage your neighbor's "head" (knowledge, understanding, beliefs), "heart" (values, empathy, compassion), and "hands" (sacrificial service for protection and provision).

If others have often said you helped them grow spiritually by your skill and care in one of those three themes, contact one of our Chaplains. We may have several ways that you could partner with us in a chapel service or program.

Please note, the RSO will not have any volunteer-led children's ministries until the concerns of COVID-19 allow our garrison's Child Development Center and Child & Youth Services to return to full service. We nest our decisions in the professional assessment of their subject matter expertise for the safety of your children.
