**Strong Start Program:**

The Strong Start Program is a preseason youth sports program for athletes ages **7–15**, designed to help kids get ready for the season in a fun and supportive environment. Offered in **Track, Baseball, and Soccer**, this program focuses on foundational skills, movement, and confidence-building without the pressure of competition. Strong Start is perfect for new and returning athletes looking to stay active, learn the basics, and begin the season feeling confident and ready to play.

**Children must have a current CYS registration and sports physical to enroll.**

- Due to limited spaces, once an activity reaches its maximum enrollment, youth will be placed on a wait list. Once the enrollment period is completed, youth on the waitlist will be contacted if spaces become available on a team roster.
- The number of youths that will be placed on a team will be dependent upon the number of available coaches and practice facilities.
- Once your child is placed on a team you will be contacted to make payment either from a CYS facility (Child Development Centers 1501/1502, School Age Center, Middle School & Teen Center, Webtrac or by calling Parent Central Services at 0611-143-548 9356.
- Age cutoffs are 15 June 2026. Your child will be entered into the appropriate age group as their age as of 15 June 2026.
- Enrollment with Webtrac is available if there is 1 day left on current registrations and a Sports Physical.
