Federal AF/NAF Vacancies

Appropriated Funds (APF or AF) positions are funded through Congress with tax dollars. Examples are General Schedule (GS), NSPS (YA, YB, YC) and Wage Grade (WG). Non-Appropriated Fund (NAF) jobs are funded by the fees paid by the program's customers. Results are found after clicking on the Federal Employees button (versus the US Citizens button.) Full vacancy descriptions for AF/NAF can be read at: <http://www.usajobs.gov>.

Eligibility & Preferences

Determine which employment category you fall under, if any. Remember, if your category is not listed under "Who may apply" in the announcement, you will not be considered for the position. The civilian personnel office representative will determine your eligibility. The most common categories for this area are Military Spouse Preference (MSP), Family Member Preference (FMP), D30 % Disabled Veteran (DAV) and various other Veteran eligibilities. More information can be found at:

Federal Local National Positions – non U.S. Citizens

The SOFA agreement requires that the Department of the Army recruit all of its non-U.S. citizen employees in strict accordance with the Host Nation labor laws. If you have a passport from any country other than the U.S., you would typically only be eligible through the vacancies listed on the Local National announcement board.
