1. Pursuant to the German Weapons Law, applicable German implementing ordinances, and AE Regulation 190-6/CNE-CNA-C6F Instruction 5300.15T/USAFE-AFAFRICA Instruction 31-205, I apply for the issuance of a *Waffenbesitzkarte* (German Weapons Possession Card). I understand that to qualify for its issuance, I must establish my reliability within the meaning of the German Weapons Law. I herewith apply for and authorize the conduct of a background check using the National Instant Criminal Background Check System (NICS), Federal Bureau of Investigation (FBI), and authorize and agree to the release of the results to authorized representatives of the German Government and U.S. Army authorities and representatives as authorized under Army regulations and applicable U.S. laws. I understand and agree that in the event NICS responds with a "deny" report that I may initiate an appeal of the denial under NICS operating procedures. The responsible area provost marshal will assist in initiating the criminal justice purpose request for NICS and other FBI data.

2. I am a member of the U.S. Forces, a member of the civilian component, or a dependent of such member within the meaning of Art. I, NATO SOFA. I understand that authorization to possess and use a privately owned firearm (POF) in Germany is subject to applicable provisions of German laws and regulations and that I am subject to these provisions. I further understand that violation of such German laws or regulations, or applicable U.S. Forces regulations, may result in revocation of my right to retain possession and ownership of a POF in Germany.
