Adult Summer Reading Program
(17+)

(10 July—11 August)

A summer reading program
full of opportunities
for you to win BIG!

By completing a short review for each book
you read during the program, you'll be entered
to win not only weekly prizes, but one lucky
participant will win a Special Grand Prize,
courtesy of our
Commercial Sponsors.

Here's how it works:

Step 1: Register from June 19 June—7 July at
the library.

Step 2: Read a book of your choice.

Step 3: Fill out a short review. Review forms are
available at the library or online at the address given
below.

Step 4: Bring your completed review form to the
Library and place it in the review box.

Repeat steps 2 through 4 as often as you'd like
between July 10th and August 11th.
