

ERP Job Search Resources

The Army Community Service office is located in Hainerberg Housing Building 7790 Mississippi Strasse Wiesbaden 65189 Germany

This document provides a look at the many [job openings in and around the Wiesbaden military community](#) courtesy of Wiesbaden Army Community Service's Employment Readiness Program (ERP).

The [Employment Readiness Program](#) offers resume classes. Please contact ACS for more details.

The [resume class](#) provides participants the different types of resumes; show the sections of the resume and which type of resume is the best to use. Participants also learn how to use career library websites to gather information in order to create the ultimate resume.

The [USAJobs class](#) is designed to show participants the USAJobs.gov website and demonstrate, step-by-step, everything such as creating an account, interpreting job vacancies, the importance of KSAs and the questionnaire in order to create targeted resumes and start applying for jobs. Participants also learn how to use USAJobs to alert them of possible job prospects and monitor the progress of their application. Finally, participants learn how to use the occupational questionnaire from the USAJobs job announcement to structure their resume to increase the likelihood of a favorable review.

In addition to the aforementioned classes, ERP also offers mock interviews designed to reduce anxiety and build confidence for upcoming interviews. If you need any further assistance or wish to have your resume reviewed, please contact your ERP manager at: earl.j.mcfarland.civ@mail.mil or please call Army Community Service at DSN: 548-9201 or CIV: 0611-143-548-9201.

The [Army Volunteer Corps](#) plays a crucial role in both individual and community involvement and development. Army Volunteer Corps is designed to help you find local volunteering opportunities with organizations that benefit the Army community and allows you to obtain ongoing training and advancement. When you participate with AVC, you'll acquire new skills and/or expand old ones while you obtain work experience, which can be beneficial during your employment search. For more information regarding volunteering opportunities please contact your ACS Volunteer Coordinator.

Employment Categories and Sites

*The ACS computer lab is available to assist you in viewing these announcements and any other aspect of your job search. Please sign in at the front desk to use the computer lab Mon-Wed, Fri 8AM-5PM, Thurs 1PM-5PM.

Federal AF/NAF Vacancies

Appropriated Funds (APF or AF) positions funded through Congress with tax dollars. Examples are General Schedule (GS), NSPS (YA, YB, YC) and Wage Grade (WG). Non-Appropriated Fund (NAF) jobs funded by the fees paid by the program's customers. Results found after clicking on the Federal Employees button (versus the US Citizens button.) Full vacancy descriptions for AF/NAF are found at www.usajobs.gov

☐ **Eligibility & Preferences**

Determine which employment category you fall under, if any. Remember, if your category are not listed under "Who may apply" in the announcement, you will not be considered for the position. The civilian personnel office representative will determine your eligibility. The most common categories for this area are Military Spouse Preference (MSP), Family Member Preference (FMP), D30 % Disabled Veteran (DAV) and various other Veteran eligibilities. More information can be found at:

<https://acpol2.army.mil/eur/employment/msp/index.asp> (military spouses)

<https://msepjobs.militaryonesource.mil/msep/>

<https://www.usajobs.gov/help/working-in-government/unique-hiring-paths/veterans/> (veterans)

Federal Local National Positions – non U.S. Citizens

The SOFA agreement requires that the Department of the Army recruit all of its non-U.S. citizen employees in strict accordance with the Host Nation labor laws. If you have a passport from any country other than the U.S., you would typically only be eligible through the vacancies listed on the Local National announcement board.

<https://acpol2.army.mil/eur/employment/ln/>

Home Based Businesses (HBBs)

HBBs allow Families to work from their Army quarters, developing rewarding careers that follow them through PCS's. HBB owners must obtain approval from the garrison commander or senior commander. Get more information or register your HBB today by contacting your local ACS Employment Readiness Program Manager.

HBB Application:

https://home.army.mil/wiesbaden/application/files/2216/1796/7614/HBB_Application_Packet_April_2021.pdf

Additional places to apply

Army & Air Force Exchange Service (AAFES) positions cover food service, Exchange (PX) and Express (Shoppette) positions. Available positions can be found at:

<https://publicaffairs-sme.com/applymyexchange/>

Defense Commissary Agency (DeCA) positions include jobs in the Commissary such as cashiers, deli workers and stockers. Available positions can be found at <http://www.usajobs.gov>.

Department of Defense Dependents Schools (DoDDS) positions are listed on however additional information can be found at <http://www.dodea.edu/Europe/offices/hr/vacancies.cfm>.

U.S. Consulate - Frankfurt positions are located at <http://employment.usembassy.de>. Full position descriptions can be requested by email at employment-germany@state.gov.

USAREUR is accepting resumes at usarmy.wiesbaden.usareur.mbx.usareur-job@mail.mil to add to their resume repository. Their goal is to match local military spouse talent to job positions as they become available.

EURCIVJobs is a self-service resume tool that allows hiring managers to identify talent within the European theater. It provides a more direct avenue for spouses, family members and veterans residing in the area to share their career interests. EURCIVJobs does not replace traditional recruitment through USAJobs, but will improve our way of doing business by providing hiring Managers with another option to fill current and future vacancies.

MOTOROLA SOLUTIONS

MOTOROLA SOLUTIONS OVERVIEW

Our customers are everyday heroes – from police officers and firefighters to utility workers and educators. At any moment, they need to be ready for anything and everything – and they rely on us to deliver the essential lines of communication they need to work safely and effectively.

Whether it's helping firefighters see through smoke, enabling police officers to see around street corners, or reliably keeping the lights on in homes and businesses around the world, our mission-critical communications, services, software, video surveillance and analytics help our enterprise and public safety customers keep businesses thriving and communities safe. That's how we know we are living up to our company purpose: helping people be their best in the moments that matter.

At Motorola Solutions, we create technologies our customers refer to as their lifeline. Our technology platforms in communications, software, video and services help our customers work safely and more efficiently. Whether it's helping firefighters see through smoke, enabling police officers to see around street corners, or reliably keeping the lights on in homes and businesses around the world, our work supports those who put their lives on the line to keep us safe. Bring your passion, potential and talents to Motorola Solutions, and help us usher in a new era in public safety and security.

Department Overview

Provide Field Operations technical support to U.S. Army, U.S. Air Forces & U.S. Navy Enterprise Land Mobile Radio networks covering but not limited to the following countries: Germany, Belgium, United Kingdom, Spain, and Italy, Kuwait, Afghanistan, UAE & Africa. Provide technical integration, service, and support in relation to the Motorola Solutions product suite focused toward DoD Federal Government customers.

Provide technical integration, service, and support in relation to the Motorola Solutions product suite focused toward DoD Federal Government customers.

Job Description Project Manager

****Position is located in Idstein, Germany and we will provide relocation****

Manages the development and/or implementation of Motorola Solutions products or services. Coordinates departmental or cross-functional teams, focused on delivering new or upgraded existing products or services. Manages projects from inception to completion (or transition), including tracking and evaluation of project performance. Ensures that projects are completed on time, within budget, and within accepted quality metrics. Participates in project review and status meetings, and communicates project status. Utilizes six sigma and project management methodologies to ensure maximum project effectiveness. Motivates project team to ensure optimal performance. May assist in the development of business plans, strategies, and approaches to take advantage of business opportunities.

Requirements/Information:

Must be a United States citizen.

Each PM must have a personal background that would allow issuance of a US Government military base access pass and be willing to submit to a detailed background investigation for Department of Defense and other Federal Government Agencies Security Clearances.

Project Management Professional certification preferred.

Must have excellent communication and planning skills to interface with customers.

Must be willing to travel a minimum of 50% or more of the time away from home and live at a project site for extended periods.

Position will be localized in Europe.

Scope of Responsibilities/Expectations:

Experience managing and implementing Department of Defense (DoD) contracts like the Air Force, Army, Navy or Marines would be excellent, or contracts with Department of Homeland Security.

Experience with DoD Contract Data Requirement Lists (CDRL) would be beneficial

Responsible for planning, organizing and directing the installation efforts of company and/or subcontractor personnel.

Responsible for the successful completion of assigned projects on schedule, within budget, and according to contract requirements and prescribed quality standards.

Develop clear understanding of all contract requirements and negotiate all installation subcontracts.

Controls inventory of equipment and parts.

Department Overview

The US Federal Governments Markets Division is chartered with being the premier, compliant supplier of world-class communications solutions to the U.S. Federal Government by providing the highest quality products, systems and services. The USFGMD will achieve this with a professional, well-trained, diverse work force creating a positive and profitable customer relationship resulting in Total Customer Satisfaction and growth of our business. The Federal Systems Technology department of the USFGMD is responsible for service supporting a charter of implementing and integrating complex systems sold worldwide to the US Federal Government. As a USFGMD Systems Technologist, you will be exposed to a wide variety of communications requirements in both the Presale and Post Sale phases of a project. These applications span the entire breadth of the US Federal Government throughout the world.

Job Description

Duties of the Radio Repair Technician in this EMEA area of operations include the following:

Contact partner for employees, who are allocated to the organizational area "Depot / DO"

Develop and maintain Subscriber focused depot operation process and procedure.

Work with the Service Manager to develop depot operations documentation standards and enforce quality standards.

Ensure subscriber and infrastructure parts stock is adequate to continue operations through direct supervision or delegation of the duty.

Work with Special Projects FSR to ensure field subscriber focused projects meet quality and documentation standards.

Provide expertise and collaboration to customer personnel in support of Land Mobile Radio (LMR) systems—in general—to the European based U.S. Army, U.S. Air Forces & U.S. Navy Enterprise

Perform installations and removals of trunked and conventional LMR systems and assigned support locations include but are not limited to the following countries: Germany, Belgium, United Kingdom, Spain, Italy, Africa, & Greece

Client focused behavior and services, externally to clients and internally to colleagues and contact partners including on time delivery

Exercise multi-tasking skills when managing multiple systems and applications during customer interaction

Support the entire communication needs of the customer by championing the complete Motorola Service and Sales portfolios

Customer Resolution Support — The employee shall communicate project updates to the customer and resolve minor administrative actions (an administrative action is not having access to a room for work to start or continue). Project related issues (Customer wants to change the scope of the project), shall be reported directly with the employees supervisor

DOL VETS TAP Opportunities International Locations

JOIN OUR TEAM to assist and prepare over 200,000 Servicemen and women who separate annually from the United States Military begin a new life chapter as a civilian. Many of those who separate from the military have transition plans while others find becoming a civilian a daunting task. The Department of Labor (DOL) Veterans' Employment and Training Service (VETS) program requires contractor services to support these transitioning Servicemen and women through its highly successful Transition Assistance Program (TAP) that is offered world-wide to conduct job assistance workshops, employment counseling, apprenticeship program placements and employer outreach.

In this role, you will:

- Teaching and/or instructing Military personnel transition to civilian professional and vocational occupations.
- Guide the transitioning Military Servicemembers in identifying goals while also assisting them with recognizing any employment or education gaps.

Requirements:

- An associate's degree, any discipline from an accredited college or university or at least 3 years of experience as a professional trainer or facilitator.
- Should have prior experience providing Military Servicemembers (Active, Reserve, National Guard), family members, and Veterans a comprehensive understanding of preparing for civilian employment, job searching, job application processes, networking, technical training opportunities, credentialing, and assistance in preparing for civilian employment and participation in technical programs and schools.
- Must be a U.S. Citizen.

Position ID & Country

- 39444: DOL TAP Employment Facilitator (Part-time) – Wiesbaden, Germany
- 39445: DOL TAP Employment Facilitator (Part-time) – Stuttgart, Germany
- 39446: DOL TAP Employment Facilitator (Part-time) – Naples, Italy
- 39447: DOL TAP Employment Facilitator (Part-time) – Spangdahlem, Germany
