Here's a look at the many [job openings in and around the Wiesbaden military community](#) courtesy of Wiesbaden Army Community Service's Employment Readiness Program.

The Employment Readiness Program offers resume classes, contact ACS for more details.

The resume class is designed to show participants the different types of resumes, the sections that make up the resume and which is the type of resume to use. Participants are also shown how to use career library websites to gather information in order to create the ultimate resume.

The USAJobs class is designed to show participants the USAJobs.gov website and demonstrate, step-by-step, everything such as creating an account, interpreting job vacancies, the importance of KSAs and the questionnaire in order to create targeted resumes and start applying for jobs. Participants also learn how to use USAJobs to alert them of possible job prospects and monitor the progress of their application.

Finally, participants are also shown how to use the occupational questionnaire from the USAJobs job announcement to structure their resume to increase the likelihood of a favorable review.

In addition to the aforementioned classes, ERP also offers mock interviews designed to reduce anxiety and build confidence for upcoming interviews. All ERP services are offered in a variety of venues to include (Individual, Group, Family Readiness Group FRG and Unit Level). If you need any further assistance or wish to set up an appointment, please call Army Community Service at DSN: 548-9201 or CIV: 0611-143-548-9201.

## Employment Information

The ACS computer lab is available to assist you in viewing these announcements and any other aspect of your job search. Please sign in at the front desk to use the computer lab Mon-Wed, Fri 8AM-5PM, Thurs 1PM-5PM.

## **Federal AF/NAF Vacancies**

Appropriated Funds (APF or AF) positions are funded through Congress with tax dollars. Examples are General Schedule (GS), NSPS (YA, YB, YC) and Wage Grade (WG). Non-Appropriated Fund (NAF) jobs are funded by the fees paid by the program's customers. Results are found after clicking on the Federal Employees button (versus the US Citizens button.) Full vacancy descriptions for AF/NAF can be read at: <http://www.usajobs.gov>.

## **Eligibility & Preferences**

Determine which employment category you fall under, if any. Remember, if your category is not listed under "Who may apply" in the announcement, you will not be considered for the position. The civilian personnel office representative will determine your eligibility. The most common categories for this area are Military Spouse Preference (MSP), Family Member Preference (FMP), D30 % Disabled Veteran (DAV) and various other Veteran eligibilities. More information can be found at:

<http://cpol.army.mil/library/permis/6314.html> (military spouses)

<https://msepjobs.militaryonesource.mil/partner>

<http://armycivilianservice.com/content/veterans> (veterans)

## **Federal Local National Positions – non U.S. Citizens**

The SOFA agreement requires that the Department of the Army recruit all of its non-U.S. citizen employees in strict accordance with the Host Nation labor laws. If you have a passport from any country other than the U.S., you would typically only be eligible through the vacancies listed on the Local National announcement board.
