ETIQUETTE AND PACE OF PLAY

Welcome to the Rheinblick Golf Course

Welcome to the 2023 Golf Season at the Rheinblick Golf Course. Just 20 minutes from Clay Kaserne, in the beautiful Frauenstein Forest, Rheinblick is one of the best kept secrets in U.S. Army Europe and 23rd in the top 100 courses in Germany. View our feature [here](https://www.top100golfcourses.com/golf-course/rhein-main) or at <https://www.top100golfcourses.com/golf-course/rhein-main>.

This year's Season Guide is full of everything you need to know to take part in golf course activities. One special change in this year's guide is the theme! This year's Season Guide theme is Etiquette and Pace of Play. Our goal here at Rheinblick is to ensure your golf experience is positive. We will use this year's theme to educate and inform golfers on golf etiquette and pace of play. Please take a moment to review the guide and find those pages that include this important information.

We believe that enhancing our golfer's knowledge of golf etiquette and pace of play will have a significantly positive effect on your golf experience. We will also produce other themed media during the season that you can find throughout our clubhouse and on the many other platforms serving our community.

The staff at the Rheinblick Golf Course welcomes you to beautiful Wiesbaden Germany, whether you are a seasoned player or someone who is contemplating taking up the game. Again, we hope you enjoy the Rheinblick Golf Course and Wiesbaden, your home in Germany.

Sincerely,

Your Rheinblick Staff

Etiquette/Pace of Play

1. Repair Ball Marks and Replace Divots

Pitch (Ball) mark on the green.
Divot in the fairway. On the green you need to repair this mark and one other! In the fairway you would replace the divot and press down with your foot or fill with sand. Don't know how? Ask the staff for assistance.

Slow play. When you have faster players waiting on you, allow them to pass and then pick up your pace! If other groups are catching up with you, then find who in your group is slow and help them to speed up.

For future play, it may be best to find a better time of day to play when there is less traffic.

6. Tee Time Management

Think about when the best time for you and your group is to play.

Do you have children or new adult golfers in your group?

Would you rather play in a twosome with your best friend or spouse?

It may be best to play in the evening when there is light traffic and it is easier to let faster players play through.

Unsure? Just ask the Staff to help you with when to make a tee time.
