This document provides a look at the many [job openings in and around the Wiesbaden military community](#) courtesy of Wiesbaden Army Community Service's Employment Readiness Program (ERP).

The Employment Readiness Program offers resume classes. Please contact ACS for more details.

The resume class provides participants the different types of resumes; show the sections of the resume and which type of resume is the best to use. Participants also learn how to use career library websites to gather information in order to create the ultimate resume.

The USAJobs class is designed to show participants the USAJobs.gov website and demonstrate, step-by-step, everything such as creating an account, interpreting job vacancies, the importance of KSAs and the questionnaire in order to create targeted resumes and start applying for jobs. Participants also learn how to use USAJobs to alert them of possible job prospects and monitor the progress of their application. Finally, participants learn how to use the occupational questionnaire from the USAJobs job announcement to structure their resume to increase the likelihood of a favorable review.

In addition to the aforementioned classes, ERP also offers mock interviews designed to reduce anxiety and build confidence for upcoming interviews. If you need any further assistance or wish to have your resume reviewed, please contact your ERP manager at: earl.j.mcfarland.civ@mail.mil or please call Army Community Service at DSN: 548-9201 or CIV: 0611-143-548-9201.

WE HIRE LEADERS

Seven out of 10 First Command Financial Planners come from the ranks of veterans or military spouses. They chose a career with First Command because they relish the opportunity to give back to the military community, because they value the flexibility that comes with running their own business and because a portable career with a company that has offices across the country and abroad fits their lifestyle.
