# Fact Sheet for Tournament Organizers:

## Who's authorized to ask for donations and sponsorship?

Military and civilians working for the United States Government are prohibited by Army Regulation 215-1, paragraph 7-39, from approaching German or American vendors, AAFES, MWR, etc. and requesting goods or services at no cost.

Sponsorship is only authorized for:

- Army MWR Programs and Events
- ACS (NAF Components only)

The definition of an MWR event or program is one that is found in Army Regulation 215-1 and is open to the entire ID card carrying public. This does not cover unit events, organization days, conferences, and hails and farewells. An example would be if you booked the MWR Village Pavilion for your wedding reception, this would not make your wedding reception an MWR event.

I ACKNOWLEDGE RECEIPT OF THE INFORMATION PROVIDED ABOVE AND UNDERSTAND THE AR 215-1 POLICY ON SPONSORSHIP.
