Director's Note:

I intend to make the rehearsal room a safe space for everyone involved. This play is about being a pre-teen and growing up, and portrays realistic conversation between youth of this age range. I want to stay as true to this aspect of the play as possible while also ensuring everyone in the cast feels comfortable and safe at all times. If you would like more details about anything described above, please feel free to have a conversation with me after auditions.

Sincerely,

Hannah Whittington
