

"Employment Readiness Program
Local Jobs Listing"

ERP Job Search Resources

The Army Community Service office is located in Hainerberg Housing Building 7790 Mississippi Strasse Wiesbaden 65189 Germany

This document provides a look at the many [job openings in and around the Wiesbaden military community](#) courtesy of Wiesbaden Army Community Service's Employment Readiness Program (ERP).

The [Employment Readiness Program](#) offers resume classes. Please contact [ACS](#) for more details.

The [resume class](#) provides participants the different types of resumes; show the sections of the resume and which type of resume is the best to use. Participants also learn how to use career library websites to gather information in order to create the ultimate resume.

The [USAJobs class](#) is designed to show participants the USAJobs.gov website and demonstrate, step-by-step, everything such as creating an account, interpreting job vacancies, the importance of KSAs and the questionnaire in order to create targeted resumes and start applying for jobs. Participants also learn how to use USAJobs to alert them of possible job prospects and monitor the progress of their application. Finally, participants learn how to use the occupational questionnaire from the USAJobs job announcement to structure their resume to increase the likelihood of a favorable review.

In addition to the aforementioned classes, ERP also offers mock interviews designed to reduce [anxiety](#) and build confidence for upcoming interviews. If you need any further assistance or wish to have your resume reviewed, please contact your ERP manager at: Earl.j.mcfarland.civ@army.mil or please call Army Community Service at DSN: 548-9201 or CIV: 0611-143-548-9201.

The [Army Volunteer Corps](#) plays a crucial role in both individual and community involvement and development. Army Volunteer Corps is designed to help you find local volunteering opportunities with organizations that benefit the Army community and allows you to obtain ongoing training and advancement. When you participate with AVC, you'll acquire new skills and/or expand old ones while you obtain work experience, which can be beneficial during your employment search. For more information regarding volunteering opportunities please contact your ACS Volunteer Coordinator.

Employment Categories and Sites

*The Army Community Service (ACS) computer lab is available to assist you in viewing these announcements and any other aspect of your job search. Please sign in at the front desk to use the computer lab Mon-Wed, Fri 8AM-5PM, Thurs 1PM-5PM.

Federal AF/NAF Vacancies

Appropriated Funds (APF or AF) positions funded through Congress with tax dollars. Examples are General Schedule (GS), NSPS (YA, YB, YC) and Wage Grade (WG). Non-Appropriated Fund (NAF) jobs funded by the fees paid by the program's customers. Results found after clicking on the Federal Employees button (versus the US Citizens button.) Full vacancy descriptions for AF/NAF are found at www.usajobs.gov

☐ Eligibility & Preferences

Determine which employment category you fall under, if any. Remember, if your category are not listed under "Who may apply" in the announcement, you will not be considered for the position. The civilian personnel office representative will determine your eligibility. The most common categories for this area are Military Spouse Preference (MSP), Family Member Preference (FMP), D30 % Disabled Veteran (DAV) and various other Veteran eligibilities. More information can be found at:

<https://acpol2.army.mil/eur/employment/msep/index.asp> (military spouses)

<https://msepjobs.militaryonesource.mil/msep/>

<https://www.usajobs.gov/help/working-in-government/unique-hiring-paths/veterans/> (veterans)

Federal Local National Positions – non U.S. Citizens

The SOFA agreement requires that the Department of the Army recruit all of its non-U.S. citizen employees in strict accordance with the Host Nation labor laws. If you have a passport from any country other than the U.S., you would typically only be eligible through the vacancies listed on the Local National announcement board.

<https://portal.chra.army.mil/mnrs>

Home Based Businesses (HBBs)

HBBs allow Families to work from their Army quarters, developing rewarding careers that follow them through PCS's. HBB owners must obtain approval from the garrison commander or senior commander. Get more information or register your HBB today by contacting your local ACS Employment Readiness Program Manager.

HBB Application:

https://home.army.mil/wiesbaden/application/files/2216/1796/7614/HBB_Application_Packet_April_2021.pdf

Additional places to apply

Army & Air Force Exchange Service (AAFES) positions cover food service, Exchange (PX) and Express (Shoppette) positions. Available positions can be found at:

<https://publicaffairs-sme.com/applymyexchange/>

NEW PARENT SUPPORT PROGRAM

HOME VISITOR POSITIONS

What is The New Parent Support Program?

“The Army’s New Parent Support Program (NPSP) for expectant and new parents augments and expands the existing Family Advocacy Program (FAP). Services are to be provided through outreach to expectant and new parents and their families. Programs and services for expectant and new parents contribute to mission readiness, support family adaptation to military life, and are designed to enhance the knowledge and skills families need in order to form healthy relationships and provide safe, nurturing environments for children”

Per requirement of Army Regulation (AR) 608-18, 30 October 2007

What is A Home Visitor?

A home visitor is someone who provides in home visits to new and expectant parents to provide support and education about birth, safety, childcare and other associated topics. The home visitor also may design and deliver services through groups, to provide support and education to families/parents of children 0-3. The purpose of the home visits and groups are to enhance knowledge and skills of families/parents in order to form healthy relationships, and nurturing environments for children. In doing so they are preventing the occurrence of adverse childhood experiences.

Why Is this important?

Moving to a new country, dealing with isolation, culture shock and the adjustment to a new environment is difficult, and adding the adjustment of having a new child to care for makes it even harder and puts mothers at risk for Post Partum depression, and anxiety, or other mental health problems. Physical health is impacted by mental health and vice versa. Helping new moms and dads adjust can prevent problems that may lead to attachment wounds for the children, or relationship distress between couples and siblings. Home visitors can help moms and dads deal with pregnancy stress, lactation support needs, parenting needs, and overall health and mental well-being during the major life event of childbirth and early development.

Basic Qualifications are:

- 1) licensed clinical social worker, registered nurse, or marriage and family therapist.
- 2) A registered nurse shall have a Bachelor of Science in Nursing (BSN) degree from an accredited U.S. education institution and a current U.S.
- 3) Unrestricted license in nursing from one of the 50 states, the district of Columbia, the commonwealth of Puerto Rico, Guam or the U.S. Virgin Islands;
OR
- 4) Master’s level Social Worker (MSW) from a university accredited by the National Council on Social Work Education with a current license to practice independently in their state of licensure.

OR

- 5) Master's level Marriage and Family Therapist (MFT).
- 6) MSW and MFT Licenses must be from one of the 50 states, the District of Columbia, the commonwealth of Puerto Rico, Guam or the U.S. Virgin Islands.
- 7) MSW, Licensed Nurse and MFT shall have 2 years beyond degree of direct experience in child maltreatment, child abuse prevention, dysfunctional couples, families experiencing stress, violent hostile individual clients, parenting programs or related areas

Openings and Application:

Positions are offered as contract with Sterling Medical (contracting agency for New Parent Support) and applications are accepted on an ongoing basis. **Currently there are vacancies in Wiesbaden** Openings may come available at a variety of duty stations in the EU, and presently there are openings in other Garrisons in Europe as well.

For more information and to apply please contact and send CV to Federica Steele, Contract Manager at fsteele@sterlingmedcorp.com

System Navigator (SN)

SNACS - Weisbaden, Germany, Germany - Part Time

The EFMP is a mandatory enrollment program that works with other military and civilian agencies to provide comprehensive and coordinated community support, housing, educational, medical, and personnel services to Families with special needs. Soldiers on active duty enroll in the program when they have a Family member with special medical and/or education needs requiring specialized services. EFMP ensures that a family member's needs are considered during the military personnel assignment process so their needs can be considered during the military personnel assignment process.

Part time Position: Systems Navigators and ACS Compliance Specialists (SNACS) – Exceptional Family Member Program (EFMP) – System Navigator (SN)

*No more than 20 hours/week

System Navigators are responsible for daily coordination to ensure the facilitation of networking between Families who have special needs and the systems of required care. Duties of the position include intake interviews and documentation, identification needs assessment of the Family member, referrals, follow-up care and information, advocacy, and collaboration with providers in both the civilian and military community.

Job Duties

- Provide home visits for the Soldier and or Family members to offer support as needed and/or requested.
- Coordinate with Government agencies and civilian service providers to identify the availability of non-EFMP respite care resources.
- Maintain an information catalog of national, state, and local networks and contacts with military and civilian service providers who offer assistance to families with special needs.
- Coordinate a support group and/ or workshops monthly.
- Present EFMP Systems Navigation briefings to provide Soldiers and Family members an overview of available EFMP related services.
- Provide information and referral services to Families by identifying appropriate resources and helping them make an informed choice of services available.
- Partners with Families to increase resilience, develop self-advocacy skills, and improve their ability to navigate systems effectively.
- Manage the Soldiers and Family member records in accordance with all required Army and DoD regulations.
- Facilitate warm hand off to the appropriate program personnel when transitions occur.
- Collects and explores data for planning, reporting, and program improvement, completed monthly reports meeting program deadlines.
- Implements policies, procedures, and practices that connect Families to support services.

Required Skills/Qualifications

- Knowledge of human service principles and practices, individual Family needs and problems relative to case management.

Tentative Elementary School Homeroom Teacher

Oberursel

Job Description

Frankfurt International School is seeking a **Tentative Elementary School Homeroom Teacher effective 9 January 2024**. This assignment is initially termed until 30 June 2024, with the option of a longer-term contract being available after that date. We are looking for candidates who build strong and supportive classroom communities, are passionate about personalized and inquiry-based learning, and who value professional collaboration.

In line with the school's mission to inspire individuals to develop their intellect, creativity and character to become independent, adaptable, socially responsible and internationally-minded citizens, it is the responsibility of teachers at FIS to model our beliefs and to ensure a dynamic, inquiry-driven education of the highest standard.

Instruction and assessment shall be based on the agreed curriculum, and classroom teaching approaches shall secure a stimulating, challenging, structured, safe, and caring environment within clear rules and expectations.

Teachers shall actively engage in self-reflection and professional growth in order to develop a wide range of instructional strategies, enlarge their understanding of their fields and subjects, and accordingly be well equipped to meet the individual abilities, needs, and learning differences of students.

In particular, teachers shall:

- **INSTRUCTION**

- Employ strategies that will secure a consistently high level of student motivation and achievement compatible with stated standards and the individual potential of students Plan and document instruction that is compatible with the established syllabus and overall curriculum objectives, utilizing school planning systems and documentation

- Collaborate with colleagues on questions of program, resources, and instruction Use a variety of appropriate materials and resources for each lesson

- Maintain up-to-date records and reports on all students in compliance with school policy and German Data security regulations

Effectively employ technology tools to enhance student learning and teaching objectives

- **ASSESSMENT**

Provide student assessment within the guidelines established by the school's assessment procedures and policies

Ascertain the level of achievement of each student before introducing new materials and objectives

- Use a variety of tools to monitor student learning and adjust teaching as appropriate Administer, record and report results of common assessments by team or department

PROFESSIONAL GROWTH

Participate in the FIS Professional Growth and Evaluation process as set forth in the handbook. Participate in professional development activities, in collaboration with colleagues and through in-service, workshops, and conferences

- Use self-reflection and self-assessment to further instruction and pedagogical knowledge Collaborate in the promotion of a learning culture within the faculty at large

- Acquire the skill set required to effectively implement a variety of technology tools to enhance communication, collaboration, differentiation and instruction

PROFESSIONAL RESPONSIBILITIES

- Contribute to a positive and collaborative culture within the faculty and staff and in the exercise of school-wide responsibilities

- Show a consistently high standard of conduct and demeanor appropriate for a teaching and learning environment to ensure an education of the highest standard

- Expect student behavior and performance that assures a well functioning educational environment that respects and enhances learning

- Contribute to an open, friendly, and international environment that promotes intercultural sensitivity and thoughtful communication

- Carry out duties and assignments as determined by the principal or head of school

- Comply with required standards of attendance, punctuality student safety, and supervision

COMMUNICATION AND COLLABORATION

- Demonstrate support of colleagues, students and their families through professional communication that ensures respect, confidentiality, and positive representation of the faculty as a whole

- Communicate effectively and constructively with colleagues, students, parents and administrators to support coherence, trust, and mutual support

Demonstrate respect for fairness, confidentiality, and cultural differences Address student and family information with appropriate discretion and integrity

- Communicate constructively and in a timely manner with parents about student learning and development, using methods agreed upon

For questions about this position, please contact Jean-Marie Kahn, Elementary School Principal:

MOTOROLA SOLUTIONS

MOTOROLA SOLUTIONS OVERVIEW

Our customers are everyday heroes – from police officers and firefighters to utility workers and educators. At any moment, they need to be ready for anything and everything – and they rely on us to deliver the essential lines of communication they need to work safely and effectively.

Whether it's helping firefighters see through smoke, enabling police officers to see around street corners, or reliably keeping the lights on in homes and businesses around the world, our mission-critical communications, services, software, video surveillance and analytics help our enterprise and public safety customers keep businesses thriving and communities safe. That's how we know we are living up to our company purpose: helping people be their best in the moments that matter.

At Motorola Solutions, we create technologies our customers refer to as their lifeline. Our technology platforms in communications, software, video and services help our customers work safely and more efficiently. Whether it's helping firefighters see through smoke, enabling police officers to see around street corners, or reliably keeping the lights on in homes and businesses around the world, our work supports those who put their lives on the line to keep us safe. Bring your passion, potential and talents to Motorola Solutions, and help us usher in a new era in public safety and security.

Department Overview

Provide Field Operations technical support to U.S. Army, U.S. Air Forces & U.S. Navy Enterprise Land Mobile Radio networks covering but not limited to the following countries: Germany, Belgium, United Kingdom, Spain, and Italy, Kuwait, Afghanistan, UAE & Africa. Provide technical integration, service, and support in relation to the Motorola Solutions product suite focused toward DoD Federal Government customers.

Job Description Field Service Representative

****The successful candidate may be based in Germany, Italy, Dubai or Jordan ****

****The successful candidate must be US Citizen****

****The successful candidate must be able to obtain a government security clearance as requested****

Duties of the Field Service Representative in this EMEA area of operations include the following:

Provide expertise and collaboration to customer personnel in support of Land Mobile Radio (LMR) systems in general to the European based U.S. Army, U.S. Air Forces & U.S. Navy Enterprise

Perform installations and removals of trunked and conventional LMR systems and assigned support locations include but are not limited to the following countries: Germany, Belgium, United Kingdom, Spain, Italy, Africa, & Greece

Client focused behavior and services, externally to clients and internally to colleagues and contact partners including on time delivery

Exercise multi-tasking skills when managing multiple systems and applications during customer interaction

Support the entire communication needs of the customer by championing the complete Motorola Service and Sales portfolios Customer Resolution Support

The employee shall communicate project updates to the customer and resolve minor administrative actions (an administrative action is not having access to a room for work to start or continue).

Project related issues (Customer wants to change the scope of the project), shall be reported directly with the employees supervisor

Operate and maintain equipment required to support trunked and conventional LMR systems

Maintain/program/optimize/troubleshoot/repair radio repeaters, portable radios, mobile radios, base stations and dispatch/communications consoles and all related ancillary subscriber equipment required to support both trunked and conventional LMR systems.

Manage and resolve escalated customer issues to successful resolution

Be able to receive, review, diagnose customer LMR equipment, determine the fix and repair actions for the LMR equipment, repair, test and calibrate the customers equipment back to OEM standards, document the receipt, repair, and calibration.

Communicate directly with customers on assigned projects, assigned to AOR Communicate with FSE team members and related departments.

MOTOROLA SOLUTIONS OVERVIEW

Our customers are everyday heroes – from police officers and firefighters to utility workers and educators. At any moment, they need to be ready for anything and everything – and they rely on us to deliver the essential lines of communication they need to work safely and effectively.

Whether it's helping firefighters see through smoke, enabling police officers to see around street corners, or reliably keeping the lights on in homes and businesses around the world, our mission-critical communications, services, software, video surveillance and analytics help our enterprise and public safety customers keep businesses thriving and communities safe. Provide technical integration, service, and support in relation to the Motorola Solutions product suite focused toward DoD Federal Government customers.

Job Description Project Manager

****Position is located in Idstein, Germany and we will provide relocation****

Manages the development and/or implementation of Motorola Solutions products or services. Coordinates departmental or cross-functional teams, focused on delivering new or upgraded existing products or services. Manages projects from inception to completion (or transition), including tracking and evaluation of project performance. Ensures that projects are completed on time, within budget, and within accepted quality metrics. Participates in project review and status meetings, and communicates project status. Utilizes six sigma and project management methodologies to ensure maximum project effectiveness. Motivates project team to ensure optimal performance. May assist in the development of business plans, strategies, and approaches to take advantage of business opportunities.

Requirements/Information:

Must be a United States citizen.

Each PM must have a personal background that would allow issuance of a US Government military base access pass and be willing to submit to a detailed background investigation for Department of Defense and other Federal Government Agencies Security Clearances.

Project Management Professional certification preferred.

Must have excellent communication and planning skills to interface with customers.

Must be willing to travel a minimum of 50% or more of the time away from home and live at a project site for extended periods.

Position will be localized in Europe.

Scope of Responsibilities/Expectations:

Experience managing and implementing Department of Defense (DoD) contracts like the Air Force, Army, Navy or Marines would be excellent, or contracts with Department of Homeland Security.

Experience with DoD Contract Data Requirement Lists (CDRL) would be beneficial

Responsible for planning, organizing and directing the installation efforts of company and/or subcontractor personnel.

Responsible for the successful completion of assigned projects on schedule, within budget, and according to contract requirements and prescribed quality standards.

Develop clear understanding of all contract requirements and negotiate all installation subcontracts.

Controls inventory of equipment and parts.

MOTOROLA SOLUTIONS OVERVIEW

Our customers are everyday heroes – from police officers and firefighters to utility workers and educators. At any moment, they need to be ready for anything and everything – and they rely on us to deliver the essential lines of communication they need to work safely and effectively.

Global Knowledge Network Training Ltd.

IT SYSTEMS ADMINISTRATOR

JOB DESCRIPTION

Global Knowledge is the world's leading IT and business skills training provider. Offering the most relevant and timely content delivered by the best instructors, we provide customers around the world with their choice of convenient class times, delivery methods and formats to accelerate their success. Our business skills solutions teach essential communications skills, business analysis, project management, ITIL service management, process improvement and leadership development. With thousands of courses spanning from foundational training to specialized certifications, our core IT training is focused on technology partners such as Amazon Web Services, Cisco, Citrix, IBM, Juniper, Microsoft, Red Hat and VMware. We offer comprehensive professional development for technologies like big data, cloud, cybersecurity and networking.

Founded in 1995, Global Knowledge employs more than 1,300 people worldwide headquartered in Cary, N.C. Learn more at www.globalknowledge.com.

IT Systems Administration for US Federal Programs in Europe and will be located in Wiesbaden, Germany but will need to travel to multiple work sites.

The candidate will provide IT support to an IT Training Program in Germany including the successful delivery of all IT training program deliverables. The IT System Administration's success measured by the primary criteria of:

- overall client / program satisfaction
- attainment of original program margin targets

The IT Systems Administration, under the direction of the Program Manager works closely with the Government Program Managers, Federal Account Executives, Outside Contractors / Vendors, Subject Matter Experts, International Operations, and training center coordinators to ensure that the training program meets the business requirements defined by the customer.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Systems Administration and security
- Installation, configuration, and maintenance of computer servers
- Provide technical support for both hardware and software issues users encounter
- Manage the configuration and operation of client-based computer operating systems
- Monitor the system daily and respond immediately to security or usability concerns
- Create and verify backups of data
- Respond to and resolve help desk requests
- Upgrade systems and processes as required for enhanced functionality and security issue resolution
- Administrate infrastructure, including firewalls, databases, malware protection software and other processes
- Review application logs
- Install and test computer-related equipment

QUALIFICATIONS

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Additional skills include:

- Listening and negotiation
- Managing client expectations

Über uns

Die Engel im Alltag wurden ins Leben gerufen, um Menschen mit eingeschränkter Alltagskompetenz fürsorglich sowie nachhaltig bei alltäglichen Herausforderungen zu unterstützen und dadurch eine Teilhabe am sozialen Leben aufrechtzuerhalten.

Gemeinsam & Aktiv

Regelmäßige Aktivitäten sowie die Aufrechterhaltung des sozialen und gesellschaftlichen Lebens sind für ein lebenswertes Leben essenziell. Unsere Engel sorgen daher für einen geregelten Tagesablauf und füllen den Alltag mit spannenden, abwechslungsreichen und gemeinsamen Aktivitäten, ganz nach den Vorlieben der zu betreuenden Person.

Unterstützend

Die Bewältigung von Arbeiten des alltäglichen Lebens kann zu einer großen Belastung werden, wenn Mobilität oder Kräfte nicht wie erforderlich zur Verfügung stehen. Unsere Engel können für Sie alle notwendigen, hauswirtschaftlichen Arbeiten übernehmen. Zudem kennen Sie sich in Ihrer Umgebung sehr gut aus, können auf ein breites Netzwerk an Partnern zurückgreifen und somit Empfehlungen, wie beispielsweise für einen Friseurbesuch oder einen Physiotherapeuten aussprechen.

Haus & Garten

Unsere Engel sorgen für ein rundum sauberes Zuhause. Sie kümmern sich beispielsweise darum, dass das Bett gemacht wird, erledigen die Wäsche, entsorgen den Müll und halten Ordnung. Selbst kleinere Gartenarbeiten und Reparaturen übernehmen unsere Engel gerne für Sie.

Einkaufen & Kochen

Unsere Engel begleiten Sie zum Lebensmitteleinkauf, kümmern sich um die Vor- und Zubereitung von Mahlzeiten und haben auch beim gemeinsamen Essen immer ein offenes Ohr.

Post & Ablage

Unsere Engel helfen nicht nur beim Aufsetzen von Schreiben, beispielsweise an Behörden oder beim Ausfüllen und Stellen von Anträgen, sondern begleiten Sie auch auf dem Weg zur Post oder den Ämtern. Außerdem sind alle Engel fit in der Anwendung digitaler Gerätschaften.

Ausflüge & Bewegung

Unsere Engel animieren zu gemeinsamen Freizeitaktivitäten und Ausflügen wie z.B. einem Zoobesuch, Spaziergängen, einer Theatervorstellung oder einem Museumsbesuch. So sorgen sie auch für genügend Bewegung an der frischen Luft.

Gesellschaft & Unterhaltung

Unsere Engel leisten Gesellschaft, hören zu und sind vertrauensvolle Gesprächspartner. Sie lesen bei Bedarf aber auch aus Büchern oder der Zeitung vor.

Erledigungen & Arztbesuche

Unsere Engel begleiten Sie bei allen täglichen Erledigungen außer Haus, sei es eine Shopping-Tour oder der Gang zum Arzt.

Pflegefachberatung nach 37.3 SGB XI

Alle Pflegegeldbezieher des Pflegegrades 2 und 3 müssen halbjährlich einmal und Pflegegrade 4 und 5 müssen vierteljährlich eine Pflegefachberatung und einen Beratungsbesuch durchführen lassen. Die Kosten werden von der Krankenkasse übernommen.

Deine Aufgaben als unser*e Mitarbeiter*in

Die Haupttätigkeit der ausgeschriebenen Jobangebote bei Engel im Alltag bestehen zu etwa 85 % aus hauswirtschaftlichen Tätigkeiten (Putzarbeiten). Darüber hinaus

- begleiten Sie Ihren Klienten bei täglichen Erledigungen außer Haus
- fördern und beschäftigen Sie Ihre Klienten durch gemeinsame Aktivitäten und Ausflüge
- unterstützen Sie den Klienten im Haushalt oder bei Schreibarbeiten
- fördern Sie nicht zuletzt den Aufbau unseres Netzwerkes, um unsere Dienstleistung bekannter zu machen

Auf www.engelimaltag.de/jobs/ findest Du unsere aktuellen Stellenanzeigen. Bewirb Dich noch heute!

Dein persönlicher Ansprechpartner Hr. Dominik Grimm (Geschäftsführer) freut sich über Deine Bewerbung
