# *Welcome to the Rheinblick Golf Course*

Welcome to the 2024 Golf Season at the Rheinblick Golf Course. Just 20 minutes from Clay Kaserne, in the beautiful Frauenstein Forest, Rheinblick is one of the best kept secrets in U.S. Army Europe and 23<sup>rd</sup> in the top 100 courses in Germany. View our feature [here](#) or at <https://www.top100golfcourses.com/golf-course/rhein-main>.

This year's Season Guide is full of everything you need to know to take part in golf course activities. One special change in this year's guide is the theme! This year's Season Guide theme is Etiquette and Pace of Play. Our goal here at Rheinblick is to ensure your golf experience is positive. We will use this year's theme to educate and inform golfers on golf etiquette and pace of play. Please take a moment to review the guide and find those pages that include this important information.

We believe that enhancing our golfer's knowledge of golf etiquette and pace of play will have a significantly positive effect on your golf experience. We will also produce other themed media during the season that you can find throughout our clubhouse and on the many other platforms serving our community.

The staff at the Rheinblick Golf Course welcomes you to beautiful Wiesbaden Germany, whether you are a seasoned player or someone who is contemplating taking up the game. Again, we hope you enjoy the Rheinblick Golf Course and Wiesbaden, your home in Germany.

Sincerely,

*Your Rheinblick Staff*

## 1. Repair Ball Marks and Replace Divots

Pitch (Ball) mark on the green.  
Divot in the fairway. On the green you need to repair this mark and one other! In the fairway you would replace the divot and press down with your foot or fill with sand. Don't know how? Ask the staff for assistance.

## 3. Lost Ball or Out of Bounds

In casual play, use our local rule for a lost ball not in a penalty area or out of bounds.

You may take a drop under penalty of 2 strokes in an area designated as an alternative to stroke and distance relief.

This will speed up play. For clarification, ask a staff member or use the [USGA Rules App](#).

## 4. Golf Carts On The Path

**TRACKS!** Stay on the cart path as much as possible.

The 90 degree rule is always in effect. This means stay on the cart path until you are even with your ball and then drive in at a 90 degree angle to reach your ball. Continue in this manner through the Green. Remember to keep your carts 30ft/10m from the Greens.

We realize there will be exceptions but all efforts to reduce turf traffic will improve the playing conditions for all.

## 5. Pace of Play

**Slow play.** When you have faster players waiting on you, allow them to pass and then pick up your pace! If other groups are catching up with you, then find who in your group is slow and help them to speed up.

For future play, it may be best to find a better time of day to play when there is less traffic.

## 6. Tee Time Management

Think about when the best time for you and your group is to play.

Do you have children or new adult golfers in your group?

Would you rather play in a twosome with your best friend or spouse?

It may be best to play in the evening when there is light traffic and it is easier to let faster players play through.

Unsure? Just ask the Staff to help you with when to make a tee time.
