2021-2022 SKIES Programs Dress Code

Why is a Dress Code Required for SKIES Programs?

A dress code ensures that instructors are able to see a student's alignment and positioning in order to make corrections, if necessary. Baggy clothing can mask bad habits, making corrections impossible. In addition to this, dress codes help to reinforce the discipline necessary for the study of dance. By "dressing the part," the student feels like a dancer. Dress codes also, much like military fatigues, create unity and a sense of "esprit de corps" among the dancers. A dress code minimizes distractions, and helps give classes a unified look.

Dance Classes

All colors mentioned below are suggestions. Students are encouraged to wear dance attire they already possess.

Ballet

Girls – Black or navy blue leotard, pink tights, pink ballet shoes, hair in bun. Please no skirts or tutus in Ballet I – IV, unless approved by instructor.

Boys – White t-shirt, black leggings and black ballet shoes.

Contemporary

Any solid color leotard, t-shirt or tank top; shorts, leggings, or jazz pants; hair pulled back in ponytail/away from face.

Hip Hop

Any solid color t-shirt or tank top; shorts or leggings; hair pulled back in a pony-tail away from the face.

Jazz

Any solid color leotard, t-shirt or tank top; shorts, leggings, or jazz pants; tan jazz shoes; hair pulled back in a pony-tail away from the face.

Pre-School Classes

Form fitting dance attire that does not restrict movement; hair pulled back in a pony-tail away from the face.

Gymnastics & Tae Kwon Do Classes

Students are not required to have specific uniform. Students may come to class with comfortable attire that allows movement and does not cause distractions. Students with longer hair are suggested to have their hair pulled back in a pony-tail away from the face.

Soccer Training

All the basic requirements associated with team soccer play,: Soccer shorts or sweats, cleats, shin guards etc. The instructor will provide you suggestions for additional or new trends regarding uniforms & equipment.
